WORK EXPERIENCE

Laboratory assistant
United Milk Company

11/2017 - 04/2018   *Plovdiv*
Student internship

Achievements/Tasks

- I was performing laboratory tests on different milk products.
- Quality checks

Sales Assistant
District Plovdiv

09/2019 - 03/2023   *Plovdiv*
Selling premium sportswear brands, offering high-quality footwear for discerning athletes and sports enthusiasts.

Achievements/Tasks

- Efficiently processed sales transactions and maintained an organized checkout area.
- Collaborated with the sales team to achieve and surpass monthly sales goals.
- Managed end-to-end online order process, from order placement to shipment and timely delivery.

PERSONAL PROJECTS

Dental Clinic App
- As a beginner in web development, I undertook the creation of a dental clinic webpage project. Through this project, I gained valuable hands-on experience in designing a simple and user-friendly website. While this project may be at an introductory level, it showcases my dedication to learning and applying web development skills to real-world scenarios.
